*****OPEN HOUSE ON 12/13/2025 HAS BEEN CANCELLED***** Welcome to this beautifully updated 5-bedroom, 2.5-bath colonial in the heart of Farmington Hills, where timeless charm meets modern living. From the moment you arrive, the corner lot and circle driveway create a stately first impression, complemented by a side-entry garage and a grand entrance that opens to a spacious office with custom built-in shelving. Inside, every detail has been thoughtfully upgraded to deliver both style and function. The brand-new kitchen is the true centerpiece of the home, featuring high-end cabinetry, custom butcher block countertops, a striking quartz island with a built-in sink, and a seamless flow into the wide-open living area. The gas fireplace anchors the family room, creating a warm and inviting gathering space. Sliding doors extend your living area outdoors to a private backyard retreat, complete with an oversized in-ground pool with diving board, built-in hot tub, separate deck, and storage shed. The pool heater ensures extended enjoyment through the seasons, while the whole-home generator adds peace of mind. Upstairs, the newly remodeled primary suite is a sanctuary with a walk-in shower, an expansive walk-in closet with built-in shelving, and thoughtful finishes throughout. All
